Technical info

Application Activator

Art.: 80.0895.6100
Spray bottle 500 ml

Application Activator is a universal, quickly evaporating application liquid for mounting self-adhesive advertising texts, stickers and foils. Due to its unique composition the product retains its effect for precisely the right amount of time. This means that it combines all the benefits of wet and dry pasting.

Base:	A mixture of surfactants, colour agents, water and alcohol
Density:	± 995 kg/m³
Consistency:	Liquid
Viscosity:	1 mPa.s
Solvents:	Alcohol
Application conditions:	+10°C to +40°C
Surface preparation:	The surface must be clean, dry and free of grease. Not warmer than 40°C. Clean glass surfaces with Innotec Foam Glass Clean Plus. Clean other surfaces with Innotec Multisol or Innotec Seal and Bond Remover.
Application method:	Shake the bottle before use. Spray Application Activator on the surface. Remove the backing paper from the sticker and apply it to the wet area. Put the sticker in the correct position. Wait until the sticker is bonded to the surface.
Cleaning of hands:	With Innotec Power Scrubs or with Innotec Safe Hand Clean Plus and water
Shelf life:	2 years in original, unopened packaging
Storage conditions:	Store cool and dry
Type of batchcode:	F
EAN Code:	5400563031568

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.
