Product info

Black Body-Paint

Art.: 02.3130.5000
Aerosol can 500 ml

Black Body-Paint is a perfect mat black paint with a low chalk percentage, as a result of which the product does not weather for a long time and is extremely resistant to the effects of weather. Black Body-Paint is also very impact and chip resistant and therefore extremely suited for spraying OEM mat black body parts. It is easy to sand, so ideal as a control spray.

Black Body-Paint can also be used to spray the types of supports and braces that are often made to measure.

Due to its fast drying Black Body-Paint extremely well suited to application in several layers. Its good sandability makes it perfect for use as a control paint.

Thanks to its aerosol packaging Black Body-Paint is extremely user-friendly and easy to apply. Using the special nozzle the product can be sprayed in a very professional spray pattern.

- Very nice OEM mat black colour.
- Easy to spray.
- Suitable for fast application in several layers.
- Chip proof and impact resistant.
- Excellent resistance to weathering.
