Technical info

Easy Jet Sealant Gun

Art.: 90.0923.0007

Easy Jet is a high-quality sealant gun powered by compressed air and is part of the Structure Seal concept. This gun was specially developed for processing Structure Seal, a unique, permanently elastic sealant based on high-quality MS polymers. In combination with the Easy Jet sealant gun and the corresponding range of nozzles, it can be used to imitate virtually all factory-original structured seam seals as well as smooth door seams and flanged seams.
